CASKETS

The following caskets listed are those generally available. Additional options are available upon request. Unless otherwise noted, all caskets listed are standard adult size.

Minimum requirements for a casket:

For burial: The least expensive wood casket is suitable and is required by most cemeteries' by-laws for interment, in the interest of the health and safety of the workers involved in the interment process. A metal casket may also be used for burial. A growing number of cemeteries in Ontario offer "green" burials, which may consist of interment of a body without a casket. Since there is no legal definition for a "green" burial, it varies from one cemetery to another. For more information, please speak with one of our funeral directors, or visit www.greenburialcanada.ca.

For cremation: A body must be presented to the crematorium in a rigid, leak-proof casket that is made of a combustible material, such as wood or cardboard. Caskets containing non-flammable, hazardous material or chlorinated or fibre-reinforced plastic, other than incidental metal, cannot be used for cremation. We offer a selection of inexpensive caskets below that are suitable for cremation.

URN VAULTS

Outer burial containers listed below are for urns. You do not have to purchase a vault, unless the vaults are mandatory in the entire cemetery. A cemetery operator may designate a specific area in the cemetery where vaults required; however, the operator must have another area where vaults are not required, so that consumers have a choice. A vault or grave liner may be recommended when there are environmental conditions such as poor drainage, or for practical or aesthetic reasons.

HISTORY

In 1935, Mr. Alfred Millard George opened London Funeral Service at 104 Dundas Street, London. The business later moved to 339 King Street, London, where the firm operated as Irving and George Funeral Home.

After purchasing the property at 190 Wortley Road, London, Mr. George established the **A. Millard George Funeral Home**, which operated from 1940 - 1968 in this location. In 1957, Mr. George purchased the Ardaven Funeral Chapel at 60 Ridout Street South, London, and in 1965, built a new funeral home on this site. The A. Millard George Funeral Home Limited was dedicated on February 11, 1965.

Paul J. Mullen began his apprenticeship under Mr. George in 1965 and the two become partners in 1971. Paul J. Mullen became the sole owner upon Mr. George's death in 1993.

Paul's son, David Mullen, became a Licensed Funeral Director in 1998. In 2006, David became partners with his father, ensuring that the A. Millard George Funeral Home (AMG) would remain family owned and operated. In June 2015, Paul retired after 48 years in the business and passed ownership to David. Paul J. Mullen died on Saturday, December 12, 2020, in his 77th year.
